Dear Mayor Welch:

On behalf of the South Carolina Rural Infrastructure Authority (RIA), I am pleased to inform you that an SC Infrastructure Investment Program Community Impact grant has been approved in the amount of \$2,662,000 for the Water Improvements project. This funding is being made possible by State and Local Fiscal Recovery Funds received through the American Rescue Plan Act. It provides resources for investments in long term capital improvements that will strengthen critical services.

You will receive a grant agreement which identifies the conditions of this assistance within the next few days. We look forward to working with you to provide opportunities for transformational impact in your community.

Sincerely,
